TOTAL TREKKING DISTANCE: 39 MILES / 62 KM

TOTAL TRIP DISTANCE: 191 MILES / 307 KM

NOTES

- 1) The information provided relates directly to Mountain Lodges of Peru's standard Fixed Departure itinerary.
- 2) Times are approx. and may vary according to group composition and trekking season. Times consider a moderate to slow (or average) trekking pace as well as breaks.
- 3) Data enclosed between parenthesis, for example (771), is a negative expression of the number; ie. an elevation decrease.
- 4) On DAY 1, guests who do not wish to participate on this day's trek may remain in the vehicle all the way up to Salkantay Lodge. Approx. driving time from Marcocasa is 1 hour.
- 5) On DAY 2, since this is a round-trip activity back to the lodge this trekking activity is optional, but highly recommended for all guests as preparation for the following days.
- 6) On DAY 6, guests who do not wish to participate on this day's trek will spend the day at the lodge and surroundings and will meet the group at the train station.*
